2. WARRANTY SCOPE

- Warranty service is the work of repairing, replacing or updating (relative to the state of the art) of parts, components and software provided by VinFast due to a non-conformity in materials, manufacturing or software provided that the vehicle has been properly used and maintained as per VinFast specifications. VinFast is entitled to choose the most efficient way to remediate a non-conformity.
- Spare parts for warranty include the smallest genuine parts and components provided by VinFast.
- The warranty is valid throughout the United States, however it is only applied and implemented at VinFast's Showrooms or Service Centers. VinFast provides this Warranty Booklet to ensure warranty work is performed free of charge under the terms and conditions of the limited warranty.
- The warranty period begins on the delivery date of the new vehicle to the first owner of that vehicle (hereinafter "Warranty start date").
