III. WARRANTY COVERAGE

1. WARRANTY SUBJECT

- The warranty policy and terms in this Warranty Booklet apply to your VinFast VF 9 vehicle (hereinafter “VF 9”), which is manufactured by VinFast Trading & Production JSC and sold by VinFast.

2. WARRANTY SCOPE

- During the warranty period, any defects in materials, workmanship or software will be covered by the warranty, provided that the vehicle has been operated and maintained in accordance with the Owner’s Manual and Maintenance Schedule and subject to the exceptions specified in Section 09 (What Is Not Covered) hereof.
- The warranty applies to vehicles sold and registered across the United States where the vehicle is first registered. Service may be supported across Canada, in VinFast’s sole discretion and subject to service availability and the terms outlined in section 10 of this Warranty booklet (“Limitations and Disclaimers”). However, in order to have eligible repairs and services covered by the warranty, all services on your vehicle must be performed at a VinFast Dealer in both US and Canada market.
- The warranty coverage period starts on the delivery date of a new vehicle from VinFast to the first owner of that vehicle (hereafter referred to as “Warranty Start Date”).

3. WARRANTY CONDITION

- It is recommended for the Warranty Booklet to be stamped by the VinFast Dealer on delivery of the new vehicle.

- You must follow the terms and conditions of this Warranty Booklet to maintain the validity of the warranty.
- You are required to retain all service records related to the vehicle in order to demonstrate that all services and repairs have been conducted at a VinFast Dealer or Authorized Service Center. Failure to produce service records may result in denial of warranty coverage.

4. FUTURE OWNER

- All warranties apply for the term of the warranty policy and are passed on to future lawful owners of the vehicle, provided the conditions in this Warranty Booklet are still met, subject to the limitations described herein. Please consult your local VinFast Dealer within your region to understand if there is any action required for the new owner to confirm or activate warranty coverage.

5. NEW VEHICLE LIMITED WARRANTY

- VinFast VF 9 vehicle has a warranty period of 10 years from the Warranty Start Date or 125,000 miles (200,000 km), whichever comes first.
- Warranty repairs or replacements do not extend or renew the original limited warranty period of the vehicle or any part thereof. Any part repaired or replaced under this warranty is covered only for the remainder of the original warranty period, unless otherwise required by applicable law.

6. LIMITED WARRANTY PARTS

- The following warranty terms and conditions apply to parts supplied with the vehicle at the first-time purchase, referred to as “original” parts.

➤ **HIGH VOLTAGE BATTERY:**

- The original High Voltage Battery (hereinafter “HV Battery”) included with the vehicle has a warranty period of 10 years from the Warranty Start Date with unlimited mileage under standard use.
- The original HV Battery included with the vehicle used for commercial purposes* has a warranty period of 10 years from the Warranty Start Date or 125,000 miles (200,000 km), whichever comes first.
- The HV Battery life is highly dependent on multiple factors, including how it is charged, the charging current, the number of discharges, and environmental temperature during charge. You must read the Owner’s Manual carefully to understand how to properly use and charge the HV Battery. Improper use or charging of the HV Battery may void the warranty for the HV battery and other parts of the vehicle.
- If an HV Battery issue is covered by the warranty, VinFast has the option of repairing or replacing it with an equivalent HV battery. For any repair or replacement made under the HV battery warranty coverage, VinFast will ensure the following conditions are met: (i) the repaired or replacement HV Battery will have a capacity over 70%; or (ii) if the damaged HV Battery capacity was above 70% at the time of repairing or replacing, the repaired or replacement HV Battery’s capacity will not be less than the capacity of the original HV Battery. VinFast has sole discretion to determine if and how an HV Battery will be repaired or replaced, including determining how to measure HV Battery capacity.
- If the vehicle has been used for commercial purposes and/or if the vehicle will be used by the future owner for commercial purposes, the warranty policy of HV Battery for the commercial purposes will apply.

*Commercial purposes mean any purpose relevant to commercial services, including but not limited to taxi, ride-hailing or similar services, route delivery, delivery service, or rental.

➤ **12 V BATTERY:**

- The original 12 V battery supplied with the vehicle has a warranty period of 3 years with unlimited mileage from the Warranty Start Date.

➤ **CORROSION:**

- Sheet metal has a warranty period of 12 years with unlimited mileage from the Warranty Start Date. The preceding sheet metal warranty applies to corrosion that has penetrated from inside to the outside through the sheet metal due to defects in materials or workmanship, provided that the vehicle has been operated and maintained under normal circumstances and in accordance with the Owner's Manual and Maintenance Schedule.

Note on Customer Responsibility:

If there is a valid warranty claim for corrosion, VinFast is only obligated to repair the vehicle to a condition that corresponds with the expected condition of a vehicle of similar age and mileage.

Inspect the body sheet metal panels of your VinFast vehicle frequently and if you detect any stone chips or scratches in the paint or protective coating, touch them up immediately.

In addition, under certain conditions, special care should be taken to protect your VinFast vehicle from corrosion:

- If you frequently drive on salted roads or near the ocean, wash underbody as needed (at least once a month), with clean, fresh water.
- It is important to keep the drain holes in the lower edges of the body clear.
- If the vehicle's paint or finish is damaged due to any type of accident or other event, get the vehicle repaired as soon as possible.
- If you carry special cargo, such as chemicals, fertilizers, deicing salt, or other corrosive substances, be sure that such materials are well packaged and sealed.
- If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

Failure to comply with the instructions above may result in a refusal of your warranty coverage for corrosion-related issues.

➤ **PAINT:**

- Vehicle body paint has a warranty period of 5 years with unlimited mileage from the Warranty Start Date. This body paint warranty applies to paint defects due to non-conformities in material or manufacturing.
- Note on Customer Responsibility: Inspect the body paint of your VinFast vehicle frequently and if you detect any stone chips or scratches in the paint or protective coating, touch them up immediately.

- Shock absorbers, stabilizer links, upper link assemblies, lower control arms, ball joints, and upper strut mountings have a warranty period of 5 years from the Warranty Start Date or 60,000 miles (100,000 km), whichever comes first.

Note on Paint and Suspension Warranty

The updated coverage for paint finish and suspension components described in this booklet applies to Model Year 2026 and later only. For vehicles of prior model years, warranty coverage remains unchanged and as stated in the warranty materials provided at the time of sale.

➤ **TIRE:**

- The tire warranty is covered separately by the tire manufacturer. If you require assistance, please contact your nearest VinFast Representative so they can supply the applicable tire warranty policy for your vehicle.
- Any non-conformity or damage relating to tires are the sole responsibility of the tire manufacturer and decisions made by the manufacturer related to non-conformity or damage are made at their sole discretion.

Where such limitations are not permitted by law, these disclaimers may not apply to you.
- This warranty gives you specific legal rights. You may also have additional rights that vary from state to state. For example, some states do not allow limitations on how long an implied warranty lasts or the
